

# 2011 INDIANA STATE YOUTH CONVENTION

Well it's upon us once again. We are a week away from the Indiana State Youth Convention, and this year's ISYC will be as exciting as always. We will be doing some things differently so we wanted to pass along the following information to people who are attending.

## WHERE WILL WE BE STAYING FOR THE WEEKEND?

Danny and Laura have invited the group to stay at their house over the weekend. Not only will staying there give us a shorter commute during the weekend, but it will also mean we have showers available. Danny and Laura's address is 6850 W. Littleton Dr. in McCordsville. It does not show up on Google Maps, however so if you have not been there please get directions from Danny, Laura, or Joe.

## WHEN WILL WE NEED TO BE THERE ON FRIDAY?

Please be to Danny and Laura's by 6 p.m. Friday evening.

## SHOULD WE EAT BEFORE WE COME?

Yes, we will NOT be eating Friday evening so please arrange for dinner before you come.

## DO I NEED TO BRING ANY MONEY?

**If you have not paid the additional \$60 balance for the trip, please bring that with you on Friday.** Everything you need for the weekend was covered in the cost of the event so you do not *need* to bring any additional money. There are shirts, hoodies, and other merchandise available for purchase at the event and we will have free time at Circle Centre Mall Saturday so if you would like, you might want to bring spending money for those sorts of things. They will also hold a **Spread the Word** offering during one of the sessions this weekend so if you would like to help support the outreach of the Church of God please plan accordingly.

## WHAT SHOULD I PACK?

Below you will find the packing list for this year's State Youth Convention.
